Colour Descriptions

RED: task and result oriented, likes recognition, likes to be on the move, doesn't like to be late, enjoys individual sports (golf, tennis, track, piano, individual dance, etc.) likes expensive showy things, generally honest, but their moral compass might deviate during a competitive showdown.

Red personality types tend to make good leaders. They love leadership roles and enjoy "managing" people (sometime perceived as bossy or having big egos). In the classroom setting, their hands will fly up when they know the answer. Generally, 1 out of 5 students will be red (I found a higher ratio, however, in my GT classes). They like to leader of the pack.

Car of choice: something flashy and expensive (e.g. sports car)

If they were an adult and had to put a swing set together: would pay somebody to do it for them

YELLOW: people oriented, expressive, friendly, loves to talk, extravagant, optimistic, enjoys team sports (volley ball, baseball, football, basketball, drill team, cheer team, etc.).

Yellow personality types are the glue that holds groups together. They are generally outgoing and fun loving. They are your classroom talkers. Yellows are usually the principal color in most groups. They like to run in packs.

Car of choice: one that's big enough to hold their friends

If they were an adult and had to put a swing set together: would invite their friends over to build and barbeque

GREEN: detail oriented, precise, controlled, likes to do things right the first time, likes to complete jobs, tends to be thrifty as adults.

Green personality types like order. They generally have neat lockers and organized notebooks. They are often perceived as "neat-freaks". They make wonderful treasurers, secretaries, or committee chairs in clubs. They will keep your group organized. Generally speaking, 1 out of every 7 students will be green (once again—more in GT population). Likes to keep the pack on the trail.

Car of choice: hybrid vehicle (energy efficient)

If they were an adult and had to put a swing set together: would pull out the directions, carefully count and arrange the parts, then systematically build the swing set

BLUE: creative, freethinking, sincere, loyal, caring, perceptive, understanding, open-minded, oftentimes enjoys nature, many like the arts.

Blue personality types are often perceived as quiet, sometimes shy individuals. Oftentimes they may be loners or have one or two other "blue" friends. They are very innovative, idea people. They tend to be quiet in a group and should be called upon to share their ideas. Generally, 1 out of every 8 or 9 students will be blue. Blues don't usually run with the pack.

Car of choice: jeep, recreational vehicle, unusual car (off-road adventures)

If they were an adult and had to put a swing set together: would design their own swing set
